Additional information:

All images shot are both b&w and color, one of the benefits of professional digital gear. Expenses such as parking and shipping are billed at cost. Ask for a travel quote for events outside of the greater Seattle/Portland area. Reserving the photographer for your wedding date requires a signed Wedding Agreement and payment of the retainer, which is \$600 and non-refundable. The balance of your package is due the day of the event or earlier (one less thing to worry about). Online orders require payment in full upon order placement. Sales tax will be added to all orders (unless exempt). Prices subject to change without notice. * coverage 4 not available on July-Oct Saturdays.
